## Kansans Safely Dispose Of More Than 9 Tons Of Unused Medicines

Kansans safely disposed of more than 9 tons of unused and unwanted medicines during National Drug Take-Back Day on April 24, Kansas Attorney General Derek Schmidt said today.

Kansas law enforcement officers collected 18,880 pounds of medicines at 124 locations throughout the state during the event, according to a report from the federal Drug Enforcement Administration. This was the largest amount of medications collected in Kansas since the event began in 2010, eclipsing the previous mark of 17,230 pounds collected in April 2018.

“Safe storage and proper disposal are the keys to preventing the accidental or intentional misuse of prescription medications,” Schmidt said. “Kansans continue to recognize the importance of safely disposing of their unused medicines during these Drug Take-Back events. I appreciate the leadership of the DEA and local law enforcement agencies in providing this service for Kansans.”

Kansans have safely destroyed a total of 221,914 pounds of medications in the 20 collection days that have been held since 2010. Law enforcement agencies turn the drugs they collect over to the DEA, which safely destroys the medications.

Unused prescriptions can be turned in year-round at many local law enforcement locations as well as a limited number of other locations. Kansans should contact their local sheriff's office or police department for more information.

## Wyandotte County Business to Pay \$3,300 Fine for Selling Counterfeit Vaping Products

TOPEKA – (May 6, 2021) – A Wyandotte County woman has been ordered to pay \$3,300 in penalties for selling counterfeit e-cigarette products, Kansas Attorney General Derek Schmidt said today.

Estanya Tenhue, owner of America for Humanity, Inc., doing business as Bargain Hunters, was ordered to pay \$3,300 in civil penalties in a consent judgment approved Thursday in Wyandotte County District Court by Judge Constance M. Alvey. The defendant was also ordered to reimburse the cost of the attorney general's investigation into her business practices.

The attorney general alleged that the defendants knowingly misled consumers by falsely representing e-cigarette products to be authentic branded merchandise when in fact they were not. The counterfeit products involved in this case included vaping devices and vaping liquids.

The consumer protection judgment is the fourth reached by Schmidt's office in the past nine months addressing counterfeit e-cigarette products discovered by the attorney general's Tobacco Enforcement Unit.

In September 2020, Veneeth Kanti, Gayatri Kanti and Morani, Inc., doing business as Logan 66, were ordered to pay \$7,500 in civil penalties and the costs of the attorney general's investigation in a case filed in Franklin County.

In October 2020, Aaron Dune and Smoke Stax, LLC, were ordered to pay \$5,000 in civil penalties and the costs of the attorney general's investigation in a case filed in Sedgwick County.

In February 2021, Vinodbhai Patel, operator of Jay Ganesh, LLC, and the company were ordered to pay \$30,000 in civil penalties and the costs of the attorney general's investigation in a case filed in Wyandotte County.

Additional investigations into counterfeit vaping products remain pending. Copies of the consent judgments can be found at [www.InYourCornerKansas.org/judgments](http://www.InYourCornerKansas.org/judgments).

## Governor Laura Kelly Announces Kansas Has Administered Over Two Million COVID-19 Vaccines

TOPEKA – Governor Laura Kelly today announced that Kansas has administered over two million doses of the COVID-19 vaccine, more than doubling the number of doses administered in about six weeks.

“Kansas is making measurable progress getting shots in arms across the state, but we have more work to do to reach herd immunity and ensure Kansans get back to work, back to school, and back to normal,” Governor Kelly said. “Cases of COVID-19 variants are rising across the state. To maintain our recovery efforts, we must ensure that every Kansan is vaccinated.”

To date, the CDC reports that Kansas has administered 2,059,674 doses of the COVID-19 vaccine. About 43% of Kansans have received at least their first dose, with nearly 33% fully vaccinated.

“This is a great milestone for Kansas, but there is still more work to do,” Dr. Lee Norman, Secretary of the Kansas Department of Health and Environment, said. “We encourage all Kansans who have yet to be vaccinated to take that initial step to get vaccinated.”

“My administration is concerned with reports that some counties in Kansas are turning away vaccines due to vaccine hesitancy in some communities,” Governor Kelly said. “I want to be clear. The vaccine is safe, it's effective, and it's free. I urge all Kansans to get vaccinated, and to encourage your families, friends, and communities to do the same.”

All Kansans are encouraged to visit [Vaccines.gov](http://Vaccines.gov) to find the nearest location with an available vaccine.
