Kansas Insurance Dept. Distributes \$15 million to local firefighters

Topeka - The Kansas Insurance Department made its annual distribution to state and local firefighter relief organizations, pursuant to the Kansas Firefighters Relief Act. More than \$15.1 million will be distributed among 554 local Firefighters Relief Associations (FRAs) across the state.

"While many Kansans may not be aware of this fund, it plays a critical role in assisting firefighters and their families when an accident or death occurs in the line of duty," said Insurance Commissioner Vicki Schmidt. "We cannot thank our firefighters and their families enough for the sacrifice they make to keep us safe."

The funds are generated by a two percent tax paid by insurance companies on fire and lightning insurance premiums written in Kansas for the previous calendar year. It is collected by the department, pursuant to the Kansas Firefighter Relief Act, and distributed to the FRAs, as required by Kansas law.

Local FRAs use the funds for purchasing accident and health, disability, and life insurance premiums to assist firefighters and their families. To learn more about the Kansas Firefighter Relief Act, visit insurance.kansas.gov/firefighters.

KCKPL to transfer from Axis 360 content to Hoopla

Kansas City, Kansas Public Library will be canceling the Axis 360 digital book service and transferring all ebook and eaudiobook items to Hoopla. The library is hopeful that moving current content to Hoopla and purchasing new titles strictly within that platform will simplify things for patrons and lead to a better overall experience.

Hoopla offers two ways to check out items, the instant model and the flex model. The previous Axis 360 titles will be available under the flex model, which allows for one pa-

tron at a time to check out an item. Items are checked out for 21 days, and patrons can have 5 items checked out at a time. Flex titles can be placed on hold if the title is currently checked out by someone else. Instant titles can be checked out by multiple people at the same time, and the checkout time varies based on item type. Patrons are allowed 20 instant checkouts a month.

The process will begin on July 12, when no new checkouts will be allowed on Axis 360. On August 1, Axis 360

will be shut off. On September 1, the transfer will be finalized, and items will be available in Hoopla. Any current holds in Axis 360 will be transferred over to Hoopla.

Patrons who are not currently using the Hoopla app are encouraged to download it prior to the transfer. The app can be found in the Apple, Google Play, and Amazon Fire stores, or on the library's eCommunity website at ecomunity.kckpl.org. For more information, contact econtentlibrarian@kckpl.org.

Small Business Benefits From SBA Efforts

By: Murrel Bland

The Small Business Administration made about 50,000 loans during the Fiscal Year 2019. Compare that to 1.1 million loans forgiven by the Paycheck Protection Program as of January 2021.

Michael Barrera, the District Director for the SBA, commented on these factors as he told how the SBA helped small businesses and nonprofit organizations during the coronavirus pandemic. He was the featured speaker at the monthly meeting of the Congressional Forum Friday, June 18 at the Vox Theater in the Rosedale community. The Forum is a committee of the Kansas City, Kansas, Area Chamber of Commerce.

Barrera, who was appointed in February earlier this year, is responsible for an agency that has oversight of about \$861 million of annual federal contracting and \$338 million in annual lending guarantees. The SBA District includes 89 counties in Eastern Kansas and Western Missouri.

Barrera said it is important for those wishing to receive SBA loans to keep good financial records and to keep current on taxes.

Barrera said the qualified small businesses and nonprofit organizations who are experiencing a temporary loss of revenue can apply for Economic Injury Disaster Loans. The maximum amount of such EIDL loans is

\$500,000.

Barrera is a native of Kansas City, Mo. He received a bachelor's degree from Kansas State University at Manhattan and a law degree from the University of Texas at Austin. His father owned and operated a restaurant in Kansas City, Mo.

The Chamber announced its annual golf tournament will be Wednesday, July 14 at Dub's Dread Golf Course with morning and afternoon flights. The Chamber's annual meeting will be at 5:30 p.m. Thursday, Sept. 23 at Memorial Hall.

Murrel Bland is the former editor of The Wyandotte West and The Piper Press. He is executive director of Business West.
