Governor Kelly Announces New Report to Prevent Outmigration and Strengthen Kansas' Workforce and Economy

TOPEKA – Governor Laura Kelly announced the results of a new report detailing the challenges facing young Kansans in rural communities along with possible solutions to prevent outmigration and strengthen Kansas' workforce and economy.

The report is the result of the Kansas Sampler Foundation's Power Up & Go project, which was created through a partnership with the Kansas Office

of Rural Prosperity (ORP) to gain a better understanding of the current barriers and opportunities facing young Kansans in rural parts of the state.

"This report will help us address young Kansans' needs to prevent outmigration and strengthen our growing economy," Governor Laura Kelly said. "My administration will continue prioritizing the key issues identified - such as childcare, broad-

band expansion, and affordable housing along with keeping our state welcoming and inclusive for all to support our rural and young Kansans."

The Kansas Sampler Foundation created the report using 460 surveys and 175 interviews from Kansans aged 21-39. Information from every county in Kansas is included in the final report.

The survey and interview questions focus on actions young

rural Kansans believe will revive and refresh communities facing outmigration. The resounding response points to the "need to create a culture, an ecosystem, that supports and builds the capacity of rural communities." To that end, childcare, broadband access, and lack of housing were identified as major barriers.

"Respondents overwhelmingly identified that, while rural needs may be specifically local, the issues are systemic across the state," Lieutenant Governor and Commerce Secretary David Toland said. "By focusing on the recurring challenges, like broadband and housing, we can see where our state needs to emphasize funding and additional resources for everyone. This report will help us paint a fuller, more detailed picture of rural Kansas communities, both individually and as a whole."

Other action areas and suggestions for progress include:

- Improving connections to government;
- Recognizing and supporting grassroots efforts;
- Supporting local advocates;
- Improving childcare;
- Creating and developing a culture of appreciation for rural Kansas among rural Kansans' youngest residents;

- Creating an entrepreneurial ecosystem;

- Creating a healthier space for employees/improving work life balance; and

- Cultivating a positive and inclusive culture among rural Kansas.

"This report will help guide our work for rural communities by fostering a grassroots team environment that builds cooperation, inclusivity and partnerships to grow rural communities," ORP Director Trisha Purdon said.

"The report reflects the collective brilliance of the 175 young rural Kansans I had the privilege to interview," Marci Penner, Executive Director of the Kansas Sampler Foundation, said. "I encourage people to read the report and then find areas where they can take action. If we do, I believe we can ensure a new way to look at the future of rural communities."

Purdon and Penner will host a live discussion on the ORP's Facebook page this afternoon at 2 p.m. CT. To view the live announcement, click here.

RESOLUTION
NO. R-47-21

A RESOLUTION amending proposed LHO 8/05/21.

BE IT RESOLVED BY THE BOARD OF COMMISSIONERS OF THE UNIFIED GOVERNMENT OF WYANDOTTE COUNTY/KANSAS CITY, KANSAS:

Proposed Emergency Public Health Order LHO 8/05/21 was issued to mitigate the spread of the Coronavirus (COVID-19) epidemic in Wyandotte County, Kansas, pursuant to the authority provided in K.S.A. 65-119, K.S.A. 65-129b, K.S.A. 65-201, K.S.A. 65-202 and other applicable laws or regulations.

WHEREAS, the Local Health Officer is authorized and required, pursuant to K.S.A. 65-119 and K.S.A. 65-129b to immediately exercise and maintain supervision over known or suspected cases of any infectious or contagious disease during its continuance and to issue orders seeing that all such cases are properly handled and that the provisions of the Kansas public health laws as to isolation, quarantine and disinfection are duly enforced; and

WHEREAS, should the Local Health Officer feel the necessity to issue an order requiring the wearing of face masks the local health officer shall propose the order to the Board of County Commissioners under K.S.A. 65-201(b)(2); and

WHEREAS, the order becomes effective upon approval by the Board of County Commissioners; and

WHEREAS, the worldwide outbreak of COVID-19 and high transmissibility of the Delta variant continue to threaten the life and health of Wyandotte County citizens and visitors as well as the economy and remains a public disaster affecting life, health, property and the public peace; and

WHEREAS, the uncontrolled rise in COVID-19 infections has created a dangerously low number of available physical acute care beds in local hospital facilities; and

WHEREAS, Wyandotte County continues to have exceptionally low vaccination rates with only 35% of County residents fully vaccinated against COVID-19; and

WHEREAS, it is recognized by experts that when vaccination rates are not sufficiently high, consistent and correct indoor mask usage is the next best form of mitigation against COVID-19 spread in a community; and

WHEREAS, on July 28, 2021 the Centers for Disease Control recommended that fully vaccinated individuals in parts of the country with substantial or high transmission of COVID-19 should wear masks indoors; and

WHEREAS, the Wyandotte County Local Health Officer has determined it to be necessary to issue an order regarding the wearing of face masks; and

WHEREAS, pursuant to the provisions of K.S.A 65-201 of the Kansas Statutes Annotated, the Board of Commissioners shall have the power to review, amend, or revoke any order issued by the local health officer; and

WHEREAS, on August 4, 2021, Wyandotte County Local Health Officer, Dr. K. Allen Greiner issued proposed LHO 8/05/21
