UG Launches Notice of Funding Availability for American Rescue Plan Act Non-profits and Unified Government invited to submit program proposals for our pandemic recovery

Kansas City, KS – The Unified Government of Wyandotte County and Kansas City, Kansas has issued a Notice of Funding Availability (NOFA) for the local recovery funds from the American Rescue Act Plan (ARPA). The grant program will be open to all Wyandotte County non-profit organizations and Unified Government departments. This funding is to be used for various projects for the betterment of Wyandotte County's citizens and communities as part of our pandemic recovery.

"We know that many organizations in Wyandotte County are prepared to offer

vital services and suggest creative solutions to the challenges brought on or intensified by the pandemic," said ARPA Subcommittee Chair Commissioner Angela Markley (District 6). "We are excited to offer all of those partners the opportunity to share their ideas and programs through this application, and we look forward to providing financial resources through a fair and transparent process."

The Unified Government launched the ARPA Subcommittee in November 2021 to develop recommendations for the full governing body on how to allocate the local

recovery funds and balance prioritization with other federal grant funding opportunities for maximum impact. The Unified Government will receive \$87.5 million in federal aid over two years with \$55.4 million allocated to the City of Kansas City, KS and \$32.1 million for Wyandotte County. Half of the funding is already available to the Unified Government and the remainder will be available in May 2022.

Virtual Grant Information Session on Wednesday

Interested applicants are encouraged to register to attend a grant information session this Wednesday, April

13, 2022, from 9:00AM-10:00AM via Zoom. More information can be found online at wycokck.org/ARPA.

Eligible Expenses

The Board of Commissioners have identified four core values to guide our pandemic recovery: equity, collaboration, innovation, and resiliency. Through several workshops in Fall 2021, the Commissioners requested that money be spent to reflect these values while creating sustainable impact on our community. The American Rescue Plan Act local recovery funds have specified eligible uses, including:

- Awardee staff salaries, benefits, and supplies that are directly associated with

implementing the proposed program;

- Enhancement, installation, and fortification of digital infrastructure to respond to increased needs due to the COVID19 public health emergency;

- Technical and life skills training, including support services to assist unemployed and/or underemployed workers' increased needs due to the COVID19 public health emergency;

- Creation or expansion of childcare services with special considerations to enable compliance with COVID-19 public health precautions;

- Emergency Assistance initiatives;

- Food security, including

delivery to residents, senior citizens, and other vulnerable populations to enable compliance with COVID-19 public health precautions;

- Mental health, human services, and similar employees whose services are substantially dedicated to mitigating or responding to the COVID19 public health emergency; and,

- Other measures to respond to or mitigate the impact of COVID-19.

Applications will be accepted now through May 27, 2022. More information about the American Rescue Plan Act can be found on our website at wycokck.org/ARPA.

Do You Qualify For Social Security Spouse's Benefits?

By Cecilia Fields, Social Security District Manager in Kansas City, KS

Social Security benefits are a crucial part of millions of Americans' retirement income. If you don't have enough Social Security credits to qualify for benefits on your own record, you may be able to receive benefits on your spouse's record.

To qualify for spouse's benefits, you must be one of the following:

- 62 years of age or older.
- Any age and have in your care a child younger than age 16, or who has a disability and is entitled to receive benefits on your spouse's record.

Your full spouse's benefit could be up to one-half the amount your spouse is entitled to receive at their full retirement age. If you choose to receive your spouse's benefits before you reach full retirement age, you will get a permanently reduced benefit.

If you wait until you reach full retirement age to receive benefits, you'll receive your full spouse's benefit amount, which is up to one-half the amount your spouse can receive. You'll also get your full spouse's benefit if you are under full retirement age, but care for a child and one of the following applies:

- The child is younger than age 16.
- The child has a disability and is entitled to receive benefits on your spouse's record.

If you're eligible to receive retirement benefits on your own record, we will pay that amount first. If your benefits as a spouse are higher than your own retirement benefits, you will get a combination of benefits that equal the higher spouse benefit.

For example, Sandy qualifies for a retirement benefit of \$1,000 and a spouse's benefit of \$1,250. At her full retirement age, she will receive her own \$1,000 retirement benefit. We will add \$250 from her spouse's benefit, for a total of \$1,250.

Want to apply for either your or your spouse's benefits? Are you at least 61 years and nine months old? If you answered yes to both, visit www.ssa.gov/benefits/retirement to get started today.

Are you divorced from a marriage that lasted at least 10 years? You may be able to get benefits on your former spouse's record. You can find out more by visiting www.ssa.gov/planners/retire/divspouse.html for more information.
