Wyandotte County Solid Waste Management Plan Public Notice

It is required by the Kansas Department of Health and Environment (KDHE) that each county has a Solid Waste Management Committee. It is also required by KDHE that each county has a Solid Waste Management Plan that is to be reviewed and updated on a five (5) year basis by the Committee and be approved by the Board of Commissioners. The review should address any changes in the solid waste management system since the last plan review and include recommendations of the committee.

A public hearing is scheduled during the Public Works & Safety Standing Committee meeting on April 25th, 2022, starting at 5:00pm.

The 2020 Wyandotte County Solid Waste Management Plan is available on the Unified Government of Wyandotte County/Kansas City, KS Solid Waste Management Division website and a copy is available in the Unified Government of Wyandotte County/Kansas City, KS Clerk's Office located at City Hall, 701 N 7th St, Suite 323, Kansas City, KS 66101.
