## Governor Signs Bill Making Investments to Improve State Services for Vulnerable

TOPEKA—Governor Laura Kelly today announced she has signed bipartisan House Bill 2510, which makes key investments in education, economic development, mental health, senior services, and our veterans. HB 2510 also makes historic levels of funding to state universities, enabling them to freeze tuition and knock down barriers to higher education.

“This budget delivers on commitments I made in January to improve access to services for vulnerable Kansans,” Governor Laura Kelly said. “I am proud of our continued bipartisan work

to restore and enhance vital state services – responsibly paid for through our strong economic growth.”

HB 2510 ensures funding for mental health initiatives like 9-8-8, the state’s new suicide prevention hotline; increases funding to grow and enhance the care provided by community mental health centers; and expands mental health services in regions like South-Central Kansas.

It also includes many initiatives that build upon the Kelly Administration’s strong record of improving the child welfare system and fully funds a veterans’ home in Northeast Kansas – mak-

ing it possible for those who have served their country to receive long-term care closer to home.

“This budget will improve services for Kansans in a responsible way, building a sustainable foundation for years to come,” Senator Oletha Faust-Goudeau, District 29, said. “I’m especially proud of the provision that requires the Department of Children and Families to use performance-based contracts, which will ensure that our child advocates are focused on providing satisfactory care for children and families in need, rather than increasing their intake loads.

Because of this policy, Kansas children will receive the care they need and deserve, and our state will be able to hold providers accountable for their work.”

This bill also directs a portion of federal money to state universities, community colleges, and technical colleges, enabling them to freeze tuition and make higher education more affordable for students from a range of backgrounds.

“Our historic, \$1 billion investment in higher education will make it possible for universities to freeze tuition, continuing the streak of low-to-no tuition growth under my Administration,” Governor Kelly said.

“Due to our state’s recent economic growth, we had a unique opportunity to make historic one-time investments to modernize our higher education system and this budget does that,” Senator Tom Hawk, Ranking Minority Member on the Senate Ways and Means Committee, said. “Funding for our whole education system, including higher education, should send a message to all prospective students, faculty, and the business community that Kansas stands ready to provide the educated workforce that our economy needs.”

“By investing in our community colleges, technical colleges, and universities, this budget will expand our workforce and economic development potential as a state.” Representative Kathy Wolfe-Moore, Ranking Minority on House Appropriations, said. “From Kansas City and Pittsburg to Garden City and Hays, we are updating our campuses and expanding our capacity to make sure our students are

ready to step up to the plate when they graduate.”

Another portion will direct one-time funding toward housing and economic development projects.

“This budget not only provides funding for key economic development initiatives, it will also jumpstart housing development in communities that are ready to grow like my hometown of Salina,” Senator J.R. Claeys, Vice Chair of Senate Ways and Means, said. “As company after company announces expansions and new investment, it’s clear that Kansas is a great place to do business and raise a family, and our private housing developers and local stakeholders are ready to get to work to make sure communities across the state have the quality housing needed to attract young workers and their families.”

In addition, HB 2510 ensures all state public employees enjoy at least a 5% pay increase this year, following a previous recommendation from the Governor. It also restores multiple agencies to the across-the-board pay increase, including the Office of the State Fire Marshal, the Board of Indigent Defense Services, and all employees at 24/7 facilities.

“As they do every year, Kansas state employees work hard to deliver exceptional service to the people of Kansas in some of the toughest jobs in the state,” Sarah LaFrenz, President of the Kansas Organization of State Employees, said. “We appreciate the Governor’s leadership and the Legislature’s bipartisan support of the base pay, differential, and market rate increases included in the budget this year for state employees. Funding these pay increases is such an

essential step in helping curb the staffing crises at state facilities, compensating these workers for their hard and necessary work, and making our communities safer.”

Below please find the message from the Governor regarding House Bill 2510:

House Bill 2510 represents additional progress toward fulfilling many of the priorities that I set forth in January and that have been made possible only through our bipartisan work together over the past four years. Building on House Substitute for Substitute for Senate Bill 267, this bill provides additional investments in higher education, economic development, mental health, senior services, and veterans while leaving sufficient funding to provide over \$1 billion in tax relief to Kansans through the legislation that I have signed to cut property taxes and axe the state’s sales tax on groceries.

Some of the key investments in this legislation include improved access to mental healthcare, increased funding for senior nutrition, expanded training opportunities to prevent child abuse, and measures that build on our successful work to reduce the number of children who enter the foster care system. This bill includes additional investments in our regional universities and community and technical colleges, which are critical to our efforts to expand our workforce in the state of Kansas. And this budget ensures that all state employees will receive a pay increase of at least 5% this year in recognition of their service to the state.

Finally, due to our strong economic growth and un-

Consumer Alert: AG Schmidt urges caution in wake of baby formula shortages

TOPEKA – Attorney General Derek Schmidt today urged all Kansas parents to be cautious when shopping for and purchasing baby formula in the midst of extreme shortages occurring across the nation.

Kansans are facing shortages of baby formula following pandemic-related disruptions in the global supply chain and a recall of significant amounts of baby formula by the Food and Drug Administration due to bacteria concerns.

“Any time there is a shortage of an essential product, like baby formula, scammers will try to take advantage of Kansans in need,” Schmidt said. “It is important that consumers keep their guard up and use caution to avoid falling victim to scams.”

Most baby formula scams being reported to the attorney general’s office are occurring online, through non-traditional retail platforms such as Facebook Marketplace and Craigslist, and through direct messaging on social media platforms.

“Scammers are posting bogus online offers to lure in desperate parents and trick them into turning over cash or credit card information,” Schmidt said “Meanwhile, the formula the scammers are advertising is either nonexistent, counterfeit, expired or recalled.”

The attorney general’s office offers the following guidance to help parents make informed decisions:

Stick with trusted vendors. When purchasing formula, stick with trusted vendors that are well known and well established. This reduces your chances of falling for a scam, and gives you a real entity you can return to if there is a problem with the product you purchase.

Know the seller. When shopping online, take the time to ensure you know who is trying to sell the baby formula. If it is an individual, see if the individual has publicly available information you can use to verify the person is who they say they are. If it is a business, check for reviews of the business to ensure they actually deliver the products people purchase.

Beware of social media. Scammers use easy-to-access platforms like Instagram and Facebook Marketplace to target young parents who are more likely to need formula. They design advertisements to make it appear that they have formula on hand, when in reality they are using stock or old images. Scammers often appear as real people, impersonating someone else by using familiar names or believable profiles. Scammers also may join parenting online groups to target specific audiences through direct messages and group messages.

Beware of fake websites. Any scammer can setup a seemingly believable website to appear as a legitimate baby formula vendor. Before you purchase from an unknown vendor, do your research on the vendor. If you cannot find anything on the vendor, or only find negative reviews, do not purchase from the vendor.

Shop with a credit card. In case of a fraudulent transaction, a credit card provides additional protections; it is easier to dispute charges that you did not approve or to get your money back if there is a problem. Debit cards, prepaid cards or gift cards do not have the same protections as a credit card.

Be aware of common scam tactics. If someone contacts you that you do not know offering to sell you baby formula, do not engage. This is most likely a scam. Scammers also use high-pressure tactics to get you to purchase now. They will warn you that their inventory is low, product is selling quickly, other buyers are waiting in line, or place extreme time deadlines on purchasing the product. If you feel pressured or feel suspicious, do not purchase from the person.

Safety check the product. If you purchase baby formula from an individual, an unknown vendor, or a third party, make sure the product is genuine and safe. Due to the recent FDA recall, scammers may attempt to sell unsafe or expired products to unsuspecting parents. Check the FDA website to determine if the formula you have purchased is subject to a recall. Ensure the brand on the label matches the brand you believe you purchased. Confirm the expiration date and be certain the product will not expire before you are able to use it all. Examine the packaging for signs of tampering or damage. If the packaging includes a sealed lid, ensure the seal remains intact.

Consumers who believe they may have been the victim of a scam are encouraged to file a complaint with the Office of the Kansas Attorney General, Consumer Protection Division at 1-800-432-2310 or online at [www.InYourCornerKansas.org](http://www.InYourCornerKansas.org).
