Governor Kelly Opens Sportsbooks for Wagering Beginning Sept. 1

TOPEKA – Governor Laura Kelly today announced that sportsbooks at Kansas’ four state-owned casinos can begin accepting wagers in person and on mobile platforms starting September 1, 2022, and will officially open September 8. Sports wagering, like all gaming in Kansas, is owned by the state and operated by the Kansas Lottery. Under temporary rules and regulations, the state’s four casino gaming partners can begin launching sports betting just in time for the first professional football game on September 8.

The four casinos contract-

ed with the state to offer sports wagering through independent platforms are Boot Hill Casino & Resort; Ford County near Dodge City; Kansas Star Casino in Mulvane; Hollywood Casino at Kansas Speedway, Kansas City, KS; and Kansas Crossing Casino & Hotel in Pittsburg.

Tribal casinos are also working to align on contracts with the State of Kansas for sports wagering. These casinos will be authorized to launch as soon as they are ready.

“Legalizing sports betting is a common-sense solution that keeps Kansans’ money in Kansas and drives business to sporting events, casinos, restaurants, and other enter-

tainment venues,” Governor Laura Kelly said. “I want to thank all our partners for working with us to get this done in time for football season.”

Operators are being granted a one-year provisional license based on past performance in other states. The platforms that have been granted contracts will be announced soon.

Kansans will be able to use any of state-approved platforms within the geographic boundaries of the state.

“This announcement represents a lot of hard work and collaboration between the Kansas Lottery, the Kansas Racing and Gaming Commission, our casino and tribal partners,” Stephen Durrell,

Executive Director of the Kansas Lottery, said. “The process to bring this to fruition has moved at an unbelievable pace. We are excited to be bringing sports betting to Kansas players and adding more fun and exciting play options to the Sunflower State.”

In May, Governor Kelly signed Senate Bill 84, bipartisan legislation legalizing sports wagering in Kansas on mobile apps, in casinos, and other specific venues. SB 84 allows venues such as restaurants and nonprofit fraternal or veterans organizations to hold sports wagering. SB 84 preserves tribal sovereignty, allowing the negotiation of a new or existing gaming compact regarding sports wagering.

Consumer Alert: Assignment of Benefits - the good, the bad, and the ugly

Topeka, Kan. – Every year severe weather forces Kansans into the insurance claims process. Those seeking to make claims on home property damage will likely need to enlist the help of a contractor. Working with a contractor can sometimes mean entering into a contractual agreement known as an “assignment of benefits” (AOB). Signing an AOB, enables a third-party individual/business to engage in the insurance claims process, make property repair decisions and directly invoice the insurance company on the policyholder’s behalf.

The Kansas Insurance Department urges all Kansans before signing an AOB to 1) Check your insurance policy for any AOB restrictions. 2) Call the insurance company to see if they partner with any local contractors. 3) Verify the credentials of a contractor by asking for references and checking reviews. 4) Read the AOB carefully and never sign under pressure.

“While the AOB process works for some, it might not be the right fit for you, especially if it means giving up control of how the claim is handled,” said Insurance Commissioner Vicki Schmidt. “I urge all Kansans to do their due diligence before signing an AOB contract.”

The Good – If working with a trusted contractor, signing an AOB leaves the insurance claims process in the hands of the contractor. Entering into this agreement removes the policyholder as a middleman and has the potential to streamline the process.

The Bad – When a contractor is given power over the decision-making process, they must act within the bounds set forth by the property owner’s insurance policy. Violation of the policy’s terms and conditions (mistaken or not) could cause a claim denial and leave the policyholder on the hook for the costly mishap.

The Ugly – Unscrupulous contractors often consider AOB agreements a blank check. They may try to perform unnecessary work or charge unfair prices higher than the market rate. This disregard for cost could leave the policyholder financially responsible for the amount not covered by insurance. Matters could get worse when there is a dispute between the contractor and the insurance company. AOB agreements allow contractors to pursue legal action against the insurance company in the policyholder’s name without their consent.
