Updated (Bivalent) COVID Boosters for Children ages 5 to 11 in Wyandotte County

The Unified Government Public Health Department Will Offer Updated Boosters for Children Ages 5-11 Beginning Monday, October 24, 2022

Summary:

• The updated (bivalent) COVID boosters are now recommended for anyone age 5 and older who completed the primary vaccination series and got their last dose at least 2 months ago.

• The updated boosters protect both against the original strain of the virus and against Omicron subvariants of the virus, which are more contagious.

• The Unified Government Public Health Department (UGPHD) will begin offering updated COVID boosters for children 5 and older on Monday, October 24, 2022. COVID vaccines and boosters are available by appointment. Call (913) 573-8815 to make an appointment.

• Find additional COVID vaccine locations at vaccines.gov.

October 20, 2022 (Kansas City, KS) – The Unified Government Public Health Department (UGPHD) will offer updated (bivalent) COVID boosters for children ages 5 and older beginning October 24, 2022. This follows the most recent guidance from the U.S. Food & Drug Administration (FDA) and the Centers for Disease Control and Prevention (CDC).

On October 12, 2022, the FDA amended the Emergency Use Authorizations for the updated (bivalent) booster to include children ages 5 to 11. This was followed by a recommendation from the CDC that children in this age group receive the updated booster. The Pfizer updated booster is authorized for people ages 5 and older, and the Moderna updated booster is authorized for people ages 6 and older.

It is now recommended that everyone ages 5 and up get a dose of the updated COVID booster if they've completed their primary vaccination series. People must complete the primary vaccination series before they are eligible for the updated booster. To receive the updated booster, individuals must be at least 2 months out from their last dose of COVID vaccine or the previous (monovalent) booster.

The updated boosters are "bivalent," meaning they protect against both the original virus that causes COVID as well as the Omicron BA.4 and BA.5 variants of the virus (the variants responsible for most recent COVID cases).

The UGPHD is making preparations to offer the updated booster to children ages 5 to 11. The UGPHD will begin offering the updated boosters for this age group on October 24, 2022, at the UGPHD building at 619 Ann Ave, Kansas City, KS, 66101.

COVID vaccines and boosters are available at the UGPHD by appointment only. Call 913-573-8815 to make an appointment. Find additional COVID vaccine locations at vaccines.gov.

AG Derek Schmidt joins bipartisan coalition to regulate abusive practices of pharmacy benefit managers

Kansas Attorney General Derek Schmidt joined a bipartisan coalition of attorneys general in supporting laws regulating abusive behavior of pharmacy benefit managers (PBMs) that are being challenged by the industry's national lobbying association.

Schmidt joined with 34 state attorneys general in submitting an amicus brief supporting Oklahoma's defense of its PBM laws in the 10th U.S. Circuit Court of Appeals. Oklahoma's laws are being challenged by Pharmaceutical Care Management Association. At issue is whether federal law preempts the states' authority to regulate the business practices of PBMs and hold them accountable.

"States have an interest in preserving states' authority to regulate companies doing business in their states, protecting their residents' access to healthcare, and curbing abusive business practices," the attorneys general told the court. "To advance these interests, nearly all states regulate pharmacy benefit managers."

The case, PCMA v. Mulready, is the second case to reach a federal court of appeals since the U.S. Supreme Court made clear in PCMA v. Rutledge in 2020 that PBMs cannot evade state consumer protection regulations under the cloak of ERISA preemption. In Rutledge, the Supreme Court held that ERISA preemption is limited to the questions of who receives benefits and what benefits they receive, rejecting PCMA's challenge to Arkansas's pharmacy-reimbursement regulations. Schmidt was part of a bipartisan coalition of 46 attorneys general who supported Arkansas in an amicus brief to the Supreme Court.

PBMs are intermediaries in the prescription pharmaceutical industry between prescription-drug plans, pharmacies, and drug manufacturers. PBMs profit from fees charged to market participants and by reimbursing pharmacies less than the PBM is paid by plans for dispensing medications. PBMs have imposed self-serving protections that reduce competition, limit prescription medication access, and impose various confidentiality requirements. For example, PBMs have tried to force consumers to use PBM-affiliated pharmacies at the expense of independent, often more convenient, pharmacies, by giving consumers preferential rates if they use a PBM-affiliated pharmacy, or by denying coverage at non-affiliated pharmacies altogether.

In April, the Kansas Legislature approved Senate Bill 28, which would regulate PBMs operating in Kansas, providing protections for residents, including many independent pharmacies. In 2021, Schmidt announced a settlement with Centene over its PBM services in the state Medicaid program, recovering nearly $27.6 million for taxpayers. Additional investigations are ongoing.

HOUSE CONCURRENT RESOLUTION No. 5014

A PROPOSITION to amend article 1 of the constitution of the state of Kansas by adding a new section thereto, concerning oversight by the legislature of certain executive branch actions.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Article 1 of the constitution of the state of Kansas is hereby amended by adding a new section to read as follows:

"§ 17. **Legislative oversight of administrative rules and regulations**.

Whenever the legislature by law has authorized any officer or agency within the executive branch of government to adopt rules and regulations that have the force and effect of law, the legislature may provide by law for the revocation or suspension of any such rule and regulation, or any portion thereof, upon a vote of a majority of the members then elected or appointed and qualified in each house."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. The purpose of this amendment is to provide the legislature with oversight of state executive branch agencies and officials by providing the legislature authority to establish procedures to revoke or suspend rules and regulations.

"A vote for this proposition would allow the legislature to establish procedures to revoke or suspend rules and regulations that are adopted by state executive branch agencies and officials that have the force and effect of law.

"A vote against this proposition would allow state executive branch agencies and officials to continue adopting rules and regulations that have the force and effect of law without any opportunity for the legislature to directly revoke or suspend such rules and regulations."

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in the year 2022, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.

HOUSE CONCURRENT RESOLUTION No. 5022

A PROPOSITION to amend sections 2 and 5 of article 9 of the constitution of the state of Kansas to require that a sheriff be elected in each county for a term of four years.

Be it resolved by the Legislature of the State of Kansas, two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate concurring therein:

Section 1. The following proposition to amend the constitution of the state of Kansas shall be submitted to the qualified electors of the state for their approval or rejection: Sections 2 and 5 of article 9 of the constitution of the state of Kansas are hereby amended to read as follows:

"§ 2. County and township officers. (a) Except as provided in subsection (b), each county shall elect a sheriff for a term of four years by a majority of the qualified electors of the county voting thereon at the time of voting designated for such office pursuant to law in effect on January 11, 2022, and every four years thereafter.

(b) The provisions of subsection (a) shall not apply to a county that abolished the office of sheriff prior to January 11, 2022. Such county may restore the office of sheriff as provided by law and such restoration shall be irrevocable. A county that restores the office of sheriff shall elect a sheriff by a majority of the qualified electors of the county voting thereon for a term of four years. Such sheriff shall have such qualifications and duties as provided by law. The time of voting for the office of sheriff may be provided for by the legislature pursuant to section 18 of article 2 of this constitution.

(c) The filling of vacancies and the qualifications and duties of the office of sheriff shall be as provided by law.

(d) The legislature shall provide for such other county and township officers as may be necessary."

"§ 5. Removal of officers. (a) Except as provided in subsection (b), all county and township officers may be removed from office, in such manner and for such cause, as shall be prescribed by law.

(b) A county sheriff only may be involuntarily removed from office by recall election pursuant to section 3 of article 4 of this constitution or a writ of quo warranto initiated by the attorney general."

Sec. 2. The following statement shall be printed on the ballot with the amendment as a whole:

"Explanatory statement. This amendment would preserve the right of citizens of each county that elected a county sheriff as of January 11, 2022, to continue electing the county sheriff. The amendment would also provide that a county sheriff only may be involuntarily removed from office pursuant to either a recall election or a writ of quo warranto initiated by the attorney general.

"A vote for this proposition would preserve the right of citizens of each county that elected a county sheriff as of January 11, 2022, to continue electing the county sheriff via popular vote. The amendment would also direct that a county sheriff only may be involuntarily removed from office pursuant to either a recall election or a writ of quo warranto initiated by the attorney general."

"A vote against this proposition would not make any changes to the constitution and would retain current law concerning the election of a sheriff and the procedures for involuntary removal of a sheriff from office.

Sec. 3. This resolution, if approved by two-thirds of the members elected (or appointed) and qualified to the House of Representatives and two-thirds of the members elected (or appointed) and qualified to the Senate, shall be entered on the journals, together with the yeas and nays. The secretary of state shall cause this resolution to be published as provided by law and shall cause the proposed amendment to be submitted to the electors of the state at the general election in November in the year 2022, unless a special election is called at a sooner date by concurrent resolution of the legislature, in which case it shall be submitted to the electors of the state at the special election.
