Unified Government of Wyandotte County/Kansas City, KS, Vibrant Health, The CarMax Foundation, and KABOOM! Unveil Kid-Designed Playground at Parkwood Park

KANSASCITY, KS - Kids at Parkwood Park in Kansas City, KS are celebrating as the city debuts a kid-designed, community-built playground. The months-long collaboration between Unified Government of Wyandotte County/Kansas City, KS, Vibrant Health, The CarMax Foundation, and KABOOM! culminated this week as more than 150 volunteers built the new playspace that will spark joy and foster a sense of belonging for 300 of kids each year at Parkwood Park.

“Playgrounds are safe spaces where kids develop crucial physical, social and emotional skills”, said Unified Government Parks & Recreation Director, Angel Ferrara. “This is a much needed upgraded for the park, thanks for our community partners!”

The new playground was a collaborative effort by community members, including kids, who presented creative ideas for their dream playground during a Design Day in June.

“Vibrant Health is excited to be part of building a new

playground in the Northeast Area of Kansas City, Kansas,” says Matthew Kleimann, Director of Community Development for Vibrant Health. “Emphasizing the vital role that neighborhoods play in shaping health outcomes, this project not only supports our vibrant community building efforts, but it also helps residents of all ages in Wyandotte County have improved access to safe spaces for physical activity and play.”

Playing is the essence of childhood and is a critical

developmental need that provides countless physical, social, and mental health benefits. However, far too many children, especially in communities of color, do not have a place to play near where they live or learn. KABOOM! is working to end playspace inequity; ensuring that kids have access to quality places to play, something that should be part of every child’s life. The new playground at Parkwood Park, designed with the neighborhood’s unique needs and aspirations in mind, brings Kansas City one step closer toward ending playspace inequity and ensuring that every kid has the opportunity to experience the joys and benefits of play.

“Playgrounds are an iconic part of childhood. They’re not only where kids collect some of their best memories, but also where crucial skills are developed that nurture their physical, mental, and emotional well-being,” said Lysa Ratliff, CEO of KABOOM!. “KABOOM! is thrilled to work with our partners to bring to life the new playspace at Parkwood Park and ensure that kids in Kansas City have a place designed just for them, where they can play, learn, and unlock their greatest potential.”

The CarMax Foundation has provided the majority of funding for the new playground through its \$3.9 million partnership with KABOOM!, furthering its commitment to ending playspace inequity. Over the past decade, the Foundation has invested \$17.5 million to create 200 playspaces and counting across the country with the volunteer support of more than 11,000 CarMax associates.

“CarMax is proud to partner with local communities where we live and work to provide access to playspaces for children who need them,” said Jason Ancarrow, president of The CarMax Foundation. “It’s exciting to help bring a playground to life that was designed by and for the community and our associates are energized by volunteering together and alongside the families that will enjoy the playgrounds for years to come.”
