Health plan rates for 2024 now available

Topeka, Kan. - Kansas Insurance Commissioner Vicki Schmidt, today, announced that the 2024 rates for individual and small group health insurance plans have been finalized and are published on the federal HealthCare.gov website. Kansans shopping for health insurance coverage through the Exchange can preview the rates at ratereview.healthcare.gov. Open enrollment officially begins November 1.

"Kansans who get their health insurance through the Exchange should use this preview period to plan ahead before open enrollment begins," Schmidt said. "Rates and plans change yearly so it does not hurt to see what is available to make sure you are getting the best plan for you."

Depending on the county they reside in, Kansans will have the option of plans provided by eight different insurance carriers. The open enrollment period for Kansans will be from November 1 until January 15. Kansans who would like to start their health insurance coverage effective January 1 must enroll by December 15. Health insurance purchased on the Marketplace between December 16 and January 15 will not begin coverage until February 1.

For additional information on shopping for health insurance, please visit the Kansas Insurance Department's website at insurance.kansas.gov/health-life.

The Kansas Legislature established the Kansas Insurance Department in 1871, currently led by Commissioner Vicki Schmidt. The mission of the Department is to regulate companies that sell policies in Kansas to ensure solvency and compliance with state law, educate consumers about all things insurance and securities, and advocate for a strong and competitive market to give Kansans choices when shopping for products that meet their needs.

Kansas Book Festival Funds to Provide Needed Support to Libraries

TOPEKA – The State Library of Kansas Board held its regular meeting at the Statehouse last week. Several grant applications were among the key items discussed. The board unanimously approved funding for one Statewide Courier Grant and three Talking Books Service Outreach Grants.

The Statewide Courier Grant in the amount of \$190,000 was awarded to the Northeast Kansas Library System to subsidize costs associated with administering the courier services that provide cost-effective and convenient delivery of shared resources between participating libraries across the state.

Outreach Grants to promote Kansas Talking Books services were provided to the Central, Northwest, and Southeast Kansas Library Systems, each in the amount of \$14,043. These funds are used by each system to increase awareness of Talking Books programming for Kansans with print disabilities in each regional system's service area. Activities funded by this grant include patron assistance and participation in community events such as health fair booths, relevant regional meetings, and visits to service providers, including schools and assisted living facilities. Networking and community participation ensure that every qualifying entity across Kansas is made aware of the resources available through the Talking Book program through personal and professional connection to a quality library service.

These decisions underscore the Board's commitment to improving statewide library services and ensuring efficient resource access for all Kansas residents. For more information about the Board, see kslib.info/board.

About the State Library of Kansas: The State Library of Kansas serves as the central library agency for the state, providing a wide range of support and resources to libraries across Kansas. Its mission is to promote, develop, and support library and information services to ensure the availability of knowledge and cultural resources for all Kansans. Visit kslib.info/discover for general information about library services, or contact library staff at kslib.info/ask. Talking Books resources and information can be found at kslib.info/talking.
