Joe Maderak Remembered

By Murrel Bland

I remember the first time I met Joe Maderak. It was the spring of 1985. It was a Tuesday afternoon when Joe came into my office unannounced.

Those who knew me knew not to bother me on a Tuesday. That was the day I went to press with my weekly newspaper, *The Wyandotte West*.

Joe had a petition he wanted me to sign. The petition called for the formation of a new organization which would later be called Business West.

I tried everything I could do to discourage Joe from distracting me. I finally signed the petition. Later that week, when I wasn't so busy, I decided that having such an organization may not be such a bad idea.

The motivating reason for Joe's organizational efforts was the firing of the first permanent City Administrator, Myron James Medin. Voters had approved a change in the form of city government which allowed for a professional administrator to run city government. Joe, and many other Kansas City residents, were upset about the firing. Hiring a City Administrator had given people hope.

During the ensuing several years I got to know Joe very well. He was the first Chairman of the Board of Directors of Business West and I was the first Board Secretary. The organization took a stand on several issues, not being afraid because an issue was controversial.

I was saddened to learn that Joe died June 15 at the age of 101. He was a successful businessman having founded Maderak Construction in 1952 with his wife, Katie. He was also an active board member of the Builders Association.

Joe and his family were active members of St. Patrick's Roman Catholic Church. He also was a lifelong member of the Lions Club; he received a lifetime membership for more than 50 years of service.

Joe served in the U.S. Navy in the South Pacific during World War II. I was pleased to have known and worked with Joe.

EXHIBIT D
DESCRIPTION OF THE HOUSING AND PUBLIC FACILITIES PROJECT OR PROJECTS THAT ARE PROPOSED TO BE CONSTRUCTED OR IMPROVED IN THE PROPOSED REINVESTMENT HOUSING INCENTIVE DISTRICT

Housing Facilities
The housing facilities include the development of approximately 93 multi-family units, consisting primarily of studio, 1- and 2-bedroom units, as determined by developer. Such units will be constructed in a single multi-family apartment building generally located west of the intersection of Oak Street and Front Street (Kansas Highway 32) in the District, with surface parking generally located west of such multi-family apartment building in the District.

Public Facilities
The public facilities to be constructed or improved in the District are limited because the infrastructure, including streets, sewer, water, and utilities, already exists to serve the District. Pursuant to K.S.A. 125249(a)(12)(A), it is intended that revenues from the District will be used, primarily or exclusively, to reimburse the costs of the housing facilities rather than the public facilities because:
* The proposed housing facilities financed with District revenues will be exclusively for residential use;
* The District is an "existing lot" to the extent that it is comprised of a single existing tax parcel; and
* The infrastructure, including streets, sewer, water, and utilities, has been in existence for at least 10 years.

EXHIBIT E
SUMMARY OF THE CONTRACTUAL ASSURANCES BY THE DEVELOPER AND OF THE COMPREHENSIVE FEASIBILITY ANALYSIS

Contractual Assurances
The Governing Body of the City is in the process of entering into a Development Agreement (the "Development Agreement") with The 120 Society, LLC, a Kansas limited liability company

LEGAL NOTICE

(the “Developer”). The Development Agreement, as supplemented and amended from time to time, is expected to include the project construction schedule, a description of the project to be constructed, financial obligations of the Developer, and financial and administrative support from the City. The Development Agreement will specify the obligations the Developer must meet in order to be eligible for reimbursement from District revenues for a portion of the costs of the improvements; provided, however, there will be no contractual assurances guaranteeing the financial feasibility of the project.

Feasibility Study
Heartland Housing Partners, LLC, has conducted a study to determine whether the public benefits derived from the District will exceed the costs and whether the income from the District, together with other sources of funds, will be sufficient to pay for the public improvements to be undertaken in the District. The analysis estimates the property tax revenues that will be generated from the District, less existing property taxes, to determine the revenue stream available to reimburse the Developer for a portion of the costs of the improvements advanced by the Developer. The estimates indicate that the revenue realized from the District, together with other available sources of funds, will be adequate to pay the costs of the improvements described in Exhibit D above. No special obligation bonds of the City will be issued to finance the improvements described in the Plan; instead, the improvements will be financed on a pay-as-you-go basis as described in the Development Agreement.

The Unified Government intends to base lease the facility and further intends to lease the facility to Mies Real Estate 6036 Speaker Road LLC, a Kansas limited liability company, or its successors and assigns (the “Company”).
