County Administrator Names Monica Sparks UG Clerk

County Administrator David W. Johnston has appointed

Unified Government of Wyandotte County and Kansas City, KS Clerk, effective immediately.

Sparks joined the Unified Government in 2012, spending her entire tenure with the Clerk's Office. From the mail room to Commission Chambers, Sparks has served in multiple roles, learning the intricacies and requirements of the department. Although

Monica L. Sparks as the not an original Dotte, Sparks worked with bankruptcy trustmoved to Wyandotte County in the late 80's from her hometown of Leavenworth, Kansas, and has made Wyandotte her home ever since.

> Sparks professional career started in private practice as a paralegal with a local law firm named after the former Mayor Joe McDowell. She spent 15 years as a "fed" working for the U.S. Bankruptcy Court for the District of Kansas and

ees on both sides of the state line. Sparks is a published author co-writing a chapter for the Kansas Bar Association related to bankruptcy filings for attorneys.

Sparks is highly regarded for her professionalism and commitment to customer service. As interim Clerk, she has worked to improve internal systems and community access to our services while looking ahead to the future needs of the UG and community.

"The UG Clerk's Office is small, but mighty and I am humbled and proud to lead the office," said Sparks. "We are the heartbeat of the organization and will continue to look for improvements through technology and collaboration

to provide a healthy, strong resource for all of our UG and community partners."

Price 25 Cents

Sparks is dedicated to her rock in life - her family consisting of her husband of 35 years, her daughter and son (who introduced her to her love of the Kansas City Chiefs), and her five beautiful, smart, spoiled grandchildren. Each year, Sparks crochets 100 hats for the Human Services Department to distribute to the community and sewed masks for UG staff during the COVID crisis.

"As interim Clerk, Monica has led the charge to improve department operations such as expanding access to our senior tax rebate program, introducing customer service training for staff, and streamlining the public meeting processes.

She really cares about doing a great job as the UG Clerk. We all enjoy her commitment to excellent public service. I am sure she will do a great job. Congratulations!" said County Administrator David Johnston

The Clerk's Office

The Clerk maintains the official records of the city and county government and facilitates the lawful convening of our elected officials. In addition, the Clerk maintains the record of assessments and special assessments for the city and county, an important part of an accurate taxation system. The Unified Government Clerk's Office also processes applications for the tax rebate program each year, among other functions.

KTA Alerts Customers Of Smishing Scam

WICHITA, Kan.- The Kansas Turnpike Authority (KTA) was alerted Tuesday afternoon of a text message-based scam, known as smishing, that is using the name of DriveKS, the new Kansas toll payment system.

The text message includes a photo with the DriveKS logo and states that outstanding balances need to be paid to avoid additional fees.

Things for customers to be aware of:

* Do not click links or use the URL provided in unsolicited text messages.

* KTA does not send unsolicited text messages. All text messages require customer sign-up through their DriveKS account or for roadway incident alerts. * KTA does not charge fees

such as those mentioned in the text messages.

* KTA does not send text messages for toll payment.

The targeted phone numbers seem to be chosen at random and are not uniquely associated with a toll account or use of toll roads. Smishing scams of other varieties have been reported by toll agencies across the country since early April causing the FBI to issue a public service announcement about the fraudulent SMS texting campaign.

Customers who receive an unsolicited text, suggesting it is from the KTA or another toll agency, should not click the link. Rather they are en-

couraged to file a complaint with the FBI's Internet Crime Complaint Center at www. ic3.gov. This site is dedicated to sharing information on internet crimes across law enforcement agencies.

For more than 65 years, the Kansas Turnpike Authority (KTA) has maintained and operated 236-miles of user-fee supported roadway from the Oklahoma border to Kansas City. KTA does not receive state or federal funding. Instead, toll revenue pays for preservation and modernization. KTA's mission is to move Kansas forward by operating a safe. reliable and customer-valued system in a fiscally responsible, businesslike manner.
