IRS releases tax inflation adjustments for tax year 2025

The Internal Revenue Service announced today the annual inflation adjustments for tax year 2025.

Revenue Procedure 2024-40 provides detailed information on adjustments and changes to more than 60 tax provisions that will impact taxpayers when they file their returns in 2026.

Notable changes for tax year 2025

The tax year 2025 adjust-

ments described below generally apply to income tax returns to be filed starting tax season 2026. The tax items for tax year 2025 of greatest interest to many taxpayers include the following dollar amounts:

- **Standard Deductions.** For single taxpayers and married individuals filing separately for tax year 2025, the standard deduction rises to \$15,000 for 2025, an increase of \$400 from 2024. For married couples

filing jointly, the standard deduction rises to \$30,000, an increase of \$800 from tax year 2024. For heads of households, the standard deduction will be \$22,500 for tax year 2024, an increase of \$600 from the amount for tax year 2024.

- **Marginal Rates.** For tax year 2025, the top tax rate remains 37% for individual single taxpayers with incomes greater than \$626,350 (\$751,600 for married couples

filing jointly). The other rates are:

- 35% for incomes over \$250,525 (\$501,050 for married couples filing jointly).

- 32% for incomes over \$197,300 (\$394,600 for married couples filing jointly).

- 24% for incomes over \$103,350 (\$206,700 for married couples filing jointly).

- 22% for incomes over \$48,475 (\$96,950 for married couples filing jointly).

- 12% for incomes over \$11,925 (\$23,850 for married couples filing jointly).

- 10% for incomes \$11,925 or less (\$23,850 or less for married couples filing jointly).

- **Alternative Minimum Tax Exemption Amounts.** For tax year 2025, the exemption amount for unmarried individuals increases to \$88,100 (\$68,650 for married individuals filing separately) and begins to phase out at \$626,350. For married couples filing jointly, the exemption amount increases to \$137,000 and begins to phase out at \$1,252,700.

- **Earned Income Tax Credits.** For qualifying taxpayers who have three or more qualifying children, the tax year 2025 maximum Earned Income Tax Credit amount is \$8,046, an increase from \$7,830 for tax year 2024. The revenue procedure contains a table providing maximum EITC amount for other categories, income thresholds and phase-outs.

- **Qualified Transportation Fringe Benefit.** For tax year 2025, the monthly limitation for the qualified transportation fringe benefit and the monthly limitation for qualified parking rises to \$325, increasing from

\$315 in tax year 2024.

- **Health Flexible Spending Cafeteria Plans.** For the taxable years beginning in 2025, the dollar limitation for employee salary reductions for contributions to health flexible spending arrangements rises to \$3,300, increasing from \$3,200 in tax year 2024. For cafeteria plans that permit the carryover of unused amounts, the maximum carryover amount rises to \$660, increasing from \$640 in tax year 2024.

- **Medical Savings Accounts.** For tax year 2025, participants who have self-only coverage the plan must have an annual deductible that is not less than \$2,850 (a \$50 increase from the previous tax year), but not more than \$4,300 (an increase of \$150 from the previous tax year).

The maximum out-of-pocket expense amount rises to \$5,700, increasing from \$5,550 in tax year 2024. For family coverage in tax year 2025, the annual deductible is not less than \$5,700, increasing from \$5,550 in tax year 2024; however, the deductible cannot be more than \$8,550, an increase of \$200 versus the limit for tax year 2024. For family coverage, the out-of-pocket expense limit is \$10,500 for tax year 2025, rising from \$10,200 in tax year 2024.

- **Foreign Earned Income Exclusion.** For tax year 2025, the foreign earned income exclusion increases to \$130,000, from \$126,500 in tax year 2024.

- **Estate Tax Credits.** Estates of decedents who die during 2025 have a basic exclusion amount of \$13,990,000, in-

creased from \$13,610,000 for estates of decedents who died in 2024.

- **Annual Exclusion for Gifts** increases to \$19,000 for calendar year 2025, rising from \$18,000 for calendar year 2024.

- **Adoption Credits.** For tax year 2025, the maximum credit allowed for an adoption of a child with special needs is the amount of qualified adoption expenses up to \$17,280, increased from \$16,810 for tax year 2024.

Unchanged for tax year 2025

By statute, certain items that were indexed for inflation in the past are currently not adjusted.

- **Personal Exemptions** for tax year 2025 remain at 0, as in tax year 2024. The elimination of the personal exemption was a provision in the Tax Cuts and Jobs Act of 2017.

- **Itemized Deductions.** There is no limitation on itemized deductions for tax year 2025, as in tax year 2024 and preceding, to tax year 2018. The limitation on itemized deductions was eliminated by the Tax Cuts and Jobs Act of 2017.

- **Lifetime Learning Credits.** The modified adjusted gross income amount used by taxpayers to determine the reduction in the Lifetime Learning Credit provided in Sec. 25A(d)(1) of the Internal Revenue Code is not adjusted for inflation for taxable years beginning after Dec. 31, 2020. The Lifetime Learning Credit is phased out for taxpayers with modified adjusted gross income in excess of \$80,000 (\$160,000 for joint returns).

DETERMINATION OF PATERNITY CRISOSTOMO

IN THE DISTRICT COURT OF WYANDOTTE COUNTY, KANSAS CIVIL DEPARTMENT

Pursuant to K.S.A. Chapter 60

In Re the Matter of: Belkis Giron Crisostomo

Case No.: WY-2024-

DM-002231

Petitioner,

v.

Neri Arnol Cortez

Respondent.

PETITION FOR DETERMINATION OF PATERNITY

(Pursuant to K.S.A. Chapter 23)

COMES NOW Petitioner, Belkis Giron Crisostomo, by and through her attorney of record, Katie J. Myer, and as Next Friend for her minor child, Yeferson Cortez Giron, and for her verified Petition states and avers as follows:

1. This action is brought pursuant to K.S.A. Chapter 60, K.S.A. 23-2201, et seq., K.S.A. 39-755 or 39-756 and K.S.A. 39-718b.

2. The Petitioner and minor child reside at 224 S 11th Street, Kansas City, Kansas 66102. The minor child is under the age of eighteen years:

* Yeferson Cortez Giron, age 17;

3. The Respondent's last known whereabouts are in Honduras.

4. The Petitioner and Respondent engaged in sexual intercourse during the months of conception of the minor child. During that time the Petitioner became pregnant with the minor child.

5. The Petitioner and Respondent were never married to each other at the time of conception or birth of the minor child, nor are they now married to each other.

6. The Respondent, Neri Cortez, is the natural father of the minor child.

7. The Respondent is named on the child's birth certificates as his natural and biological father.

8. Respondent has abandoned the minor child and has had no contact with him for several years.

9. Respondent's whereabouts are unknown and he has not provided any financial assistance to the minor child for several years.

10. The minor child immigrated to the United States with Petitioner in 2023.

LEGAL NOTICE

11. Due to Respondent's non-involvement in the child's life, it is not in the child's best interest that Respondent have custody rights to the child.

12. There is no one in Honduras to care for the minor child and his best interest and welfare would be negatively affected if the child were to return to Honduras.

13. It is in the best interest of the child that Petitioner be awarded sole legal and sole physical custody and that the child remain in the United States with Petitioner.

14. The Petitioner has no information of any custody proceedings concerning the minor child pending in this state or any other.

15. The Petitioner knows of no person not a party to these proceedings who has had physical custody of the child or claims to have custody or visitation/parenting time rights with respect to the minor child.

16. Petitioner makes no request that an order for child support be entered at this time.

17. That it would be in the best interest of the minor child that the Court declare Respondent as the natural and biological father of the minor child, and that Petitioner be granted sole legal and sole physical custody of the minor child with Petitioner's address designated as the minor child's address for mailing and educational purposes.

WHEREFORE, Petitioner prays that this Court declare Respondent the natural and biological father of the minor child, Yeferson Cortez Giron; grant Petitioner sole legal and sole physical custody of the minor child with Petitioner's address designated as the child's address for mailing and educational purposes, and enter such other orders as the Court deems just and necessary and in the best interest of the minor child.

NOTICE OF HEARING ON KANSAS DEVELOPMENT FINANCE AUTHORITY REVENUE BONDS

A public hearing will be held on November 15, 2024 in the conference room of Kansas Development Finance Authority (the "Authority"), 534 South Kansas Avenue, Suite 800, in Topeka, Kansas at 9:00 a.m., or soon thereafter, on the proposed issuance by the Authority in one or more series of revenue bonds (the "Bonds") in a principal amount not to exceed \$19,000,000. The Bonds will be issued pursuant to K.S.A. 74-8901 et seq. (the "Act") to finance a portion of the costs of the acquisition and rehabilitation of an approximately 125-unit qualified residential rental project under Section 142 of the Internal Revenue Code, with an approximate address of 641 South 71st Terrace, and generally located on a lot at the southeast corner of

LEGAL NOTICE

the intersection of Kansas Avenue and South 72nd Street, in Kansas City, Kansas, known as Terrace Pointe, (the "Project"), to be owned and operated by Terrace Pointe, LP, a Kansas limited partnership (the "Borrower").

The Bonds will be limited obligations of the Authority, payable solely from revenues pledged by the Borrower, and will not constitute a general obligation or indebtedness of the State of Kansas or any political subdivision thereof, nor will the Bonds constitute an indebtedness for which the faith and credit and taxing powers of the State of Kansas are pledged, but the Bonds will be payable solely from revenues pledged by the Borrower in amounts sufficient to pay the principal of, interest and redemption premium, if any, on the Bonds.

Interested individuals may participate in the public hearing in person or via conference call. Please call toll-free (844) 621-3956 and use access code 145 880 8929 followed by # to join the hearing.

At the time and place fixed for the hearing, all individuals who appear will be given an opportunity to express their views for or against the proposal to issue the Bonds for the Project, and all written comments previously filed with the Authority at its above-referenced offices will be considered. Additional information regarding the Project may be obtained by contacting the Authority at the address of its offices shown above.

LEGAL NOTICE

REQUEST FOR INFORMATION FOR SOLID WASTE AND RECYCLING SERVICES OCTOBER 2024

Purpose of RFP: Residential solid waste and recycling services
 RFP Description: The City of Bonner Springs, Kansas is seeking information from qualified firms that will provide a level of excellence in the performance of all residential solid waste and recycling services that meets the values and requirements specified herein.

Department: City Clerk's Office

Contact: Christina Brake, City Clerk

Email: cbrake@bonnersprings.org

Due Date & Time: Submittals due by Monday, November 18, 2024 at 5:00 p.m.

Submit to: cbrake@bonnersprings.org

Introduction and Background information

The City of Bonner Springs is located on the western edge of Wyandotte County. The current population of Bonner Springs is approximately 8,000 with about 2,400 residential units currently serviced by the solid waste contract. The City is currently part of the Unified Government of Wyandotte County contract and is charged a fee based on a charge-per-household formula. The City then charges residents for the service every month. Solid waste rates charged to residents are set by ordinance adopted annually by the Bonner Springs City Council.

Scope of Work

The City of Bonner Springs desires information from qualified firms to provide solid waste collection and disposal, single stream curbside recycling, landscape waste collection, and bulky item pick-up to all residential housing units. Weekly solid waste collection shall serve as the base level of service provided to all housing units with other services provided in RFI responses as add alternate items. Following the closing date for this Request for Information, the City shall review submittals to make an informed decision on whether to continue under the current agreement or send out a Request for Proposals (RFP) for a new contract.

The current service includes unlimited weekly trash recovery as well as unlimited weekly, single-stream recycling recovery. Current service also includes weekly curbside bulky items and yard waste, as well as, up to ten tires per year, per residence. Bonner Springs residents are also afforded free yard waste drop-off Wyandotte County Recycling & Yard Waste Center. Solid waste must be placed in plastic bags or containers weighing less than 50 pounds, and recycling materials must be placed in containers marked "Recycling".

Single-stream curbside recycling service current accepts the following items:

- * Plastic bottles and containers
- * Food and beverages cans
- * Paper (including magazines, catalogs, telephone directories, junk mail, office paper, and newspapers)

LEGAL NOTICE

* Flattened cardboard and paperboard

Special services for people with disabilities are provided by request from households and with the necessary documentation requested by the contractor.

New and/or Modified Services
 The City will continue all current solid waste services and will consider modifications to the recycling, large/bulky item, and yard waste services. The contractor must provide single stream recycling service, though frequency and container options may be altered from the current service.

Regular communication and prompt response are expected. Failure to recover the contracted materials shall be reported by the City to a designated point of contact and shall be corrected prior to the next regular collection day. New households shall be furnished with the necessary containers within five (5) business days. Incidents involving litter due to unsealed transport shall be corrected within five (5) business days of notification by the City. All records maintained by the contractor related to Bonner Springs households (including but not limited to containers reported as "not out", customer interactions, missed and recovered pick-ups, etc.) shall be available to the City by request.

Documentation of the following items shall be maintained and delivered to the City at least quarterly or upon request in order to support the Wyandotte County Solid Waste Plan:

* Amounts of solid waste, brush, and bulky materials (by tons) delivered to the disposal facility

* Complaints and or requests made by the City and/or solid waste customers

Licenses, Personnel, and Equipment

The contractor is required to obtain and maintain an active Bonner Springs business license throughout the duration of the contract period. All personnel shall be appropriately licensed with valid permits to operate vehicles throughout their employment with the vendor. They are expected to be courteous when dealing with residents. They shall be appropriately trained and equipped and shall operate their vehicles in a safe and responsible manner in compliance with the laws and ordinances of the City of Bonner Springs.

Drivers are expected to stay within the street and within curb lines. Any incident of a vehicle driving over a curb, damaging property, and/or causing damage to city streets or rights-of-way will result in charges for damage repair being assessed to the vendor. This may include short-payments to the regular bills paid by the city.

The contractor will supply a point of contact within their company for direct assistance related to customer complaints, special requests, route questions, etc. This liaison will serve as the primary point of contact for designated City personnel. A contact will also be provided for complaints or emergency notices that occur after normal business hours.

All refuse and waste shall be

LEGAL NOTICE

collected and transported in a watertight vehicle or container and shall be fully enclosed or securely covered per statutory requirements. All vehicles must be maintained in a safe, clean, and sanitary condition and shall be so constructed and maintained and operated as to prevent spillage of solid waste. The vehicles and other equipment shall be clearly identified with the name of the company.

If automated wheeled carts for solid waste and/or recycling service are required, maintenance and/or replacement of carts will be the responsibility of the contractor. Should a cart be damaged or otherwise need repair, the contractor shall make the needed corrections no later than the time of the next regular pick-up. At the conclusion of the contract period, the contractor will be required to remove all carts and containers from the premises of all serviced addresses at no charge to the City or customers.

Base Service Level: Weekly Curbside Solid Waste

The contractor will provide recovery of residential solid waste to all serviced addresses once per week. Each address will receive this service the same day each week. Solid waste (and any other additional agreed upon service) collection shall not begin before 7:00 a.m. nor extend beyond 7:00 p.m. unless specifically authorized by the city. Should a regular collection day fall on a recognized holiday, the recovery cycle will be delayed one day for all routes. When inclement weather (including but not limited to snow/ice events, extreme heat, etc.) prevent recovery on the designated day, the contractor shall notify the city and collect on the following day or as soon thereafter as is practical. Residents and households are required to place containers at the curb prior to 7:00 a.m. the morning of their regular recovery date. Should parked vehicles, or other conditions, interfere with regular service, the driver shall log this interference. All containers must be replaced neatly to the location where they were picked up. Residents may also request that the driver retrieve solid waste containers from a different location near the household due to disability that prevents the resident from moving the trash to the curb on their own. This request shall be made in advance to the contractor.

If automated wheeled carts for solid waste and/or recycling service are required, the contractor shall provide overage stickers/markers/ties that can be purchased by residents at City Hall. The overage marker will include the name of the service provider and be designed in such a way that can be easily identified by the driver.

Solid waste must be removed and disposed of at an appropriately licensed disposal site. All vehicles will be weighed and the aggregated results reported quarterly to the City, or as requested within the timeframes noted previously.

Within 30-days prior to service start, the contractor shall prepare and deliver to all customers within the solid waste collection service area a hard-copy brochure/door hanger/mailer con-

LEGAL NOTICE

taining the following information:

* The name of the service provider

* Toll-free telephone number for customer service concerns and requests

* Web page address and customer service e-mail

* Collection days and hours

* Holidays observed by the service provider and alternative collection days

* Inclement weather policy and alternative collection days

* Information on any other additional services agreed upon by the City and contractor

Route Development and House Counts

Within 60-days prior to the start date of the contract, the contractor must submit to the City all route designations, days of collection, and other pertinent plans. Every effort should be made to keep collection schedule as they currently exist. Current regular pickups occur every Tuesday unless it falls on a previously designated holiday. All such routes and plans must be expressly approved by the City. Requests for route changes, including days of collection, may be made to the City one time per year. Approval of such requests are at the sole discretion of the City.

Within 60-days prior to the start date of the contract, the contractor must provide a house count for which to base monthly City charges. Similarly, the City will provide its own house count during this period. Both parties shall verify the house count prior to the initial billing under this agreement. Either party may propose a prospective adjustment to the house count at any time during the term of this agreement upon reasonable notice to the other party, which adjustment shall be investigated jointly by the parties to establish a new house count to apply thereafter. Should the number of residential units serviced under this agreement substantially increase as a result of residential growth during any single calendar year, the contractor and the City will agree to revisit the residential rates in order to determine if the increase in residents merits an adjustment to the residential rates due to operational and routing efficiencies attributable to the increase in City population. Any resulting adjustment to the rates must be agreed upon by both parties as a written addendum to the contracted agreement.

Minimum Qualifications

Contractors shall have at least five (5) years of experience in curbside solid waste and recycling collection similar to the services that are being solicited for in this document. As noted previously, contractors must maintain a valid City business license for the duration of the contract period.

Contractors will have a contract in place or designated location that will accept solid waste, recyclables, and yard waste collected in the City. As part of this information request, contractors are to provide the name and address of these locations.

Contractors will demonstrate they have the financial capability to assume the provision of solid waste collection services for the City of Bonner Springs. Contractors shall specify requirements

LEGAL NOTICE

for a performance bond in the case of the contractor's failure to perform contracted services. The performance bond shall be for a minimum of 100% of the first-year value of the contract and shall be in effect for the duration of the contract period and any extensions.

Contractors will not subcontract the provision of any service to another company, individual, or entity without first receiving the expressed, written consent of the City. Joint submittals will be considered if they comprehensively address all areas set forth in this document.

Contractors shall comply with all terms with all applicable federal, state, county, and municipal laws, ordinances, and regulations at any time applicable to the contractor's operations. Specifically, but without limitation of the foregoing, the contractor shall comply with all current City of Bonner Springs regulations or ordinances imposed in the discretion of the City to protect the public health, safety, and welfare.

Contract, Term, and Extension

Following this Request for Information, the City shall review submittals to make an informed decision on whether to continue under the current agreement or send out a Request for Proposals (RFP) for a new contract. Should the City decide to issue an RFP, the successful contractor must agree to sign the Bonner Springs Solid Waste and Recycling Service Agreement after it has been reviewed by the City's legal counsel. The agreement will include terms standard in City contracts including but not limited to, cash basis and budget law, indemnity, insurance, equal employment opportunity, and the requirement that the successful bidder provide an annual performance bond in the amount of the annual fee specified under the agreement.

LEGAL NOTICE

The costs reflected in the RFI submittal shall reflect the current cost of service. Should the Council decide to issue an RFP for a new contract, the start date would be the first quarter of 2026. The term of the initial contract would be five (5) years, with a City option to extend for up to 1-year at the end of the initial term or any renewal term of this agreement for the purpose of implementing a new agreement for the provision of solid waste services.

No cost increases will be allowed during the first year of the contract. Each year thereafter, 90- days prior to the contract anniversary date, the contractor may request an annual adjustment in the collection unit prices as set forth in the bid response. Annual increases will be considered at a not-to-exceed percentage increase which the contractor will submit as part of this bid response. Requests for increases may include factors affecting cost such as fuel or other essential components of the cost of direct service delivery. The City is not liable for any cost incurred in response to this solicitation.

Submittal Criteria

Submittals will be reviewed by staff and discussed with the Governing Body at the November 25, 2024, City Council Workshop. Submissions shall include a complete set of bid documents as outlined in this section.

Submissions are due Monday, November 18, 2024 by 5:00 p.m.

1. Cover letter
2. Experience of the bidder/ statement of qualifications
3. References of bidder
4. Methodology of service delivery
5. Completed bid sheet and acknowledgement of any addenda
6. Equipment and polycarts to be provided, if included in the submission

Notice Concerning Proposed Phase II Acid Rain Permit

Notice is hereby given that the Kansas Department of Health and Environment (KDHE) is proposing to issue a five-year permit to the Kansas City Board of Public Utilities – Nearman Creek Power Station, 4240 N. 55th Street, Kansas City, Kansas 66104 pursuant to Title IV (Acid Deposition Control) of the Federal Clean Air Act and implementing regulations found at 40 CFR Parts 72 through 78. The effective date of the permit is from January 1, 2025 through December 31, 2029.

One (1) utility boiler and one (1) simple cyclone combustion turbine affected by this permit action, identified as N1, CT-4 are located at the 4240 N. 55th Street, Kansas City, Kansas 66104, operated by Kansas City Board of Public Utilities, 300 N. 65th Street, Kansas City, Kansas 66102, would receive N1: 6942; CT-4: 0 allowances (respectively,) for each year from 2025 through 2029. Each allowance authorizes the utility boiler to emit up to one ton of sulfur dioxide during or after each of the years specified above. Kansas City Board of Public Utilities – Nearman Creek Power Station proposes to comply with the Acid Rain Program emission requirements by holding enough allowances to cover all sulfur dioxide emissions. Issuance of this permit would not affect the responsibility of Kansas City Board of Public Utilities – Nearman Creek Power Station to meet all other existing local, state, and federal sulfur dioxide emission requirements.

Nearman Creek Power Station's Unit N1 is a Phase II dry bottom wall-fired boiler and will comply with the standard Btu-weighted annual average emission rate of 0.46-lb NOx/MMBtu heat input.

The designated representative for Kansas City Board of Public Utilities – Nearman Creek Power Station is Ingrid Setzler.

A copy of the proposed permit, permit application, all supporting documentation, and all information relied upon during the permit application review process are available for public review during normal business hours of 8:00 AM to 5:00 PM at the KDHE, Bureau of Air (BOA), 1000 SW Jackson, Suite 310, Topeka, KS 66612-1366 and at the Unified Government of Wyandotte County – Kansas City, Kansas Health Department, 619 Ann Ave., Kansas City, Kansas 66101. To obtain or review the proposed permit and supporting documentation, contact Parker Robb, (785) 296-1947, at the central office of the KDHE or Jennifer Stewart, (913) 573-6700 at the Unified Government of Wyandotte County – Kansas City, Kansas Health Department. The standard departmental cost will be assessed for any copies requested. The proposed permit, accompanied with supporting information, is available, free of charge, at the KDHE BOA Public Notice website, <https://www.kdhe.ks.gov/413/Public-Notices>.

Please direct written comments or questions regarding the proposed permit to Parker Robb, KDHE, BOA, 1000 SW Jackson, Suite 310, Topeka, KS 66612-

**DEPARTMENT OF AGRICULTURE
Rural Development**

Unified Government of Wyandotte County/Kansas City, Kansas: Notice of Availability of an Environmental Assessment
AGENCY: USDA, Rural Development

ACTION: Notice of Availability of an Environmental Assessment
SUMMARY: Notice is hereby given that the USDA RD, as required by the National Environmental Policy Act, is issuing an environmental assessment (EA) in connection with possible impacts related to a project proposed by the Unified Government of Wyandotte County/Kansas City, Kansas. The proposal is to implement the Kaw Point Biosolids and Modernization Improvements Project at the Kaw Point Wastewater Treatment Plant (WWTP) in Kansas City, KS. The Kaw Point WWTP is located at 50 Market Street in the West Bottoms area of Kansas City, KS. The Unified Government of Wyandotte County/Kansas City, Kansas has submitted an application to USDA RD for funding of the proposal.

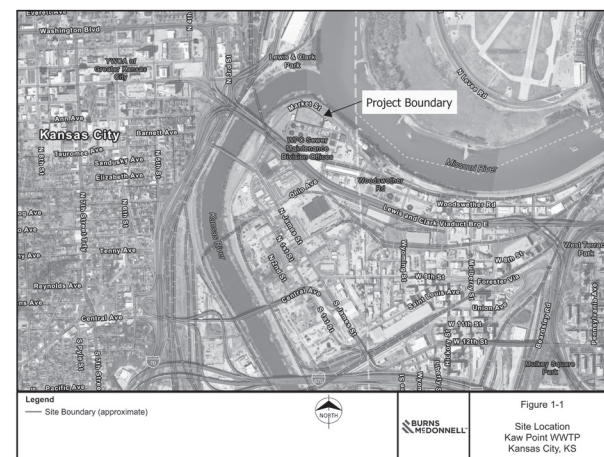

FOR FURTHER INFORMATION: To obtain copies of the EA, or for further information, contact Kacy Elkins, Business and Cooperative Program Specialist, USDA RD, 2493 4TH Avenue W, Suite B, Dickinson, ND 58601, (701) 495-7699, and kacy.elkins@usda.gov.
SUPPLEMENTARY INFORMATION: Unified Government of Wyandotte County/Kansas City, KS proposes to implement the Kaw Point Biosolids and Modernization Improvements Project at the Kaw Point Wastewater Treatment Plant (WWTP) in Kansas City, KS. The project includes modification of existing buildings and construction of new buildings at the existing Kaw Point WWTP to process sewage and manufacture fertilizer and nutrient alternatives (Class B solids) for land application. Burns & McDonnell, an environmental consultant, prepared an environmental assessment for USDA RD that describes the project, assesses the proposed project's environmental impacts, and summarizes as applicable any mitigation measures used to minimize environmental effects.

USDA RD has conducted an independent evaluation of the environmental assessment and believes that it accurately assesses the impacts of the proposed project. No significant impacts are expected as a result of the construction of the project.

Questions and comments should be sent to USDA RD at the address provided. USDA RD will accept questions and comments on the environmental assessment for 30 days from the date of publication of this notice.

Any final action by USDA RD related to the proposed project will be subject to, and contingent upon, compliance with all relevant Federal environmental laws and regulations and completion of environmental review procedures as prescribed by 7 CFR Part 1970, Environmental Policies and Procedures.

A general location map of the proposal is shown below.
