Year in Review: Kelly Administration Delivers a Successful 2024 for Kansas

TOPEKA—As 2024 comes to an end, Governor Laura Kelly on Tuesday highlighted some of the key successes from the second year of her second term.

“I am proud of all my administration has accomplished throughout this year,” Governor Laura Kelly said. “By working with the Legislature, our state agencies, stakeholders, and Kansans from across the state, we were able to reach new heights

in 2024. I look forward to carrying this momentum into 2025 as we continue striving to make Kansas the best place to live, work, and raise a family.”

Bipartisanship: In 2024, Governor Laura Kelly signed 103 bipartisan bills into law, including legislation that:

* Creates the Kansas Blueprint for Literacy, transforming how Kansas prepares educators to teach reading and better equips students

with the literacy tools they need to succeed.

* Comprehensively updates Kansas’ workers compensation system, increasing the caps on workers compensation benefits and adding a cost-of-living adjustment to those caps beginning in July 2027.

* Establishes the Office of the Child Advocate (OCA) as an independent state agency and codifies the position of the Child Advocate as the in-

dependent head of the OCA, appointed by the governor and confirmed by the Senate.

Education: This year, Governor Kelly fully funded K-12 education for the sixth year in a row, while making the largest single-year investment in higher education in Kansas history. The budget Governor Kelly signed invested \$1.3 billion to support postsecondary institutions’ efforts to drive workforce development and lower costs for Kansas students. Additionally, Governor Kelly secured \$75 million to put Kansas on the path to fully funding special education.

Tax Relief: In June, Governor Kelly signed into law a comprehensive tax relief package that responsibly cuts Kansans taxes while preserving the state’s long-term fiscal health. Senate Bill 1 provides Kansans with nearly \$2 billion in tax cuts over the next 5 years, including increasing the residential property tax exemption from \$42,000 to \$75,000, eliminating state taxes on Social Security income, and increasing the standard deduction and the Child and Dependent Care Tax Credit.

Water: The budget Governor Kelly signed this year continues Kansas’ historic \$35M yearly investment in water infrastructure, conservation, and quality programs across Kansas. It also pledged an additional \$16M specifically for drinking and wastewater infrastructure projects in communities of less than 1,000. This funding is essential to ensuring our small, rural communities

have access to a clean and reliable water supply for years to come.

Throughout 2024, the Kelly Administration and the Kansas Water Authority hosted two rounds of water Local Consult meetings to get feedback directly from Kansans on how to best implement short- and long-term solutions to Kansas’ water issues. Over these 14 meetings across the state, more than 1,000 Kansans participated and shared their input. Recommendations from these input sessions, including starting an independent evaluation cycle for water programs and building regional project pipelines to help ensure a multigenerational water supply for Kansans, will be implemented starting this fiscal year.

Early Childhood: Today, there are more licensed child care slots than ever recorded in Kansas history. Now, there are 1,200 more child care slots than Kansas had at this time last year, creating more opportunities for children to thrive and for the economy to grow. Governor Kelly also delivered \$18 million over the next 3 years in expanded tax credits to reduce the cost of child care for working families.

In September, Governor Kelly announced Kansas will cover the state licensing, background check, and fingerprinting fees for child care providers seeking initial licensure or licensure renewal through 2025 or until available funds are expended, easing the financial burden for new providers and alle-

viating costs for our existing providers.

Economic Development: In 2024 alone, the Kelly administration attracted 266 committed economic development projects, totaling more than \$3.4 billion in new business investment into the state and creating and retaining more than 5,100 jobs.

Infrastructure and Broadband: During Fiscal Year 2024, the Kansas Department of Transportation repaired 1,740 miles of roads and 136 bridges, building stronger and safer infrastructure so Kansans can smoothly travel the state.

To address the digital divide and increase all Kansans’ access to high-speed internet, the Kansas Office of Broadband Development (KOBD) deployed a total of \$16.8 million throughout 2024. This funding will enhance infrastructure and expand access to public Wi-Fi and connected devices, creating more opportunities for Kansans to thrive in the digital era.

Unemployment Insurance System: In November, Governor Kelly and the Kansas Department of Labor launched a new online system for unemployment insurance (UI) benefits. Previously, the UI system had not been updated since it was established in the late 1970s. The launch of the Unemployment Insurance Technology Enhancement project is a win for Kansas because it demonstrates the state’s dedication to responsive and effective workforce support.
