Mortgage Rates Are 6.71%—But History Shows They're Not Really That High

Dr. Richard Baker, AIF®, is the CEO and executive wealth advisor at Fervent Wealth Management

We are spoiled. Our family was driving through Slovakia and had to pack food for breakfast and lunch because there were no restaurants on the road for several hours. Here in America, we have become so accustomed to having multiple food options at any given time that it was strange for us to preplan for food for a day.

Americans have become a little spoiled with our mortgage rates too.

I keep hearing about borrowers getting frustrated waiting for mortgage rates to drop. This frustration is bad news for a housing market in its fourth year of decline. I hear young people saying, "Mortgage rates are higher than they have ever been." Well, they aren't. Here is a history lesson on what the rates were for those of us who survived childhood without the internet.

MORTGAGE RATE HISTORY

- 1975: 9.5%
- 1980: 12.9%
- 1985: 13.1%
- 1990: 9.9%
- 1995: 9.2%
- 2000: 8.3%
- 2005: 5.6%
- 2010: 4.9%
- 2015: 3.6%
- 2020: 3.7%
- 2025: 6.9%
- Current: 6.71%

I know this sounds a lot like

"walking to school uphill both ways," but rates have been a lot higher than they are right now. The worst that I remember is November 1981, when mortgage rates were 18.4%. Rates aren't historically that high; the problem is that many of us took advantage of those rates and locked in fixed mortgages that are hard to give up.

Most Americans feel handcuffed to stay in their current homes because they don't think they can give up their low mortgage rates. According to the U.S. Federal Housing Agency, 70% of mortgaged U.S. homeowners have a rate below 5%, about half have a rate below 4%, and 20% have a rate below 3%, and they are not moving unless they have to.

Many buyers won't consider making a move until rates drop to 6% or below. I understand their reasoning. Buying a \$400,000 home at the current 30-year interest rate costs roughly \$600 more per month than it did in 2020, assuming a 20% deposit.

The reason we have fewer houses for sale isn't that rates are in the high 6% range, but that rates were previously too low and Americans don't want to give up those savings. Housing experts expect rates to remain in this current range for the foreseeable future. So, waiting to move, downsize, or buy that first house might not be the best strategy. The current rate isn't high enough to justify continuing to rent or living in a house with stairs when you need to move into a level floor plan. I am writing this a few days after shoulder surgery, so trust me when I say it's not

worth risking a fall to save a few dollars a month.

Our family finally found a town with a cheap hotel and a restaurant. Even though the restaurant was in an industrial park, it was good, especially for some spoiled Americans who sometimes forget how great our options usually are. The same with mortgage rates; maybe our current options aren't so bad after all.

Have a blessed week.

IN THE MATTER OF THE MURILLO-LONG/LONG MARRIAGE

IN THE DISTRICT COURT OF WYANDOTTE COUNTY, KANSAS CIVIL COURT DEPARTMENT
In the Matter of the Marriage of: CATALINA MURILLO-LONG, Petitioner and THEODORE S. LONG, Respondent
Case No. WY-2025-DM-000973

PETITION FOR DIVORCE

COMES NOW the Petitioner, Catalina Murillo-Long, by and through her attorney, Joseph A. DeWoskin, and for her Petition for Divorce states and alleges to the Court:

1. Petitioner is and has been a resident of the State of Kansas for more than sixty (60) days immediately preceding the filing of her petition currently residing at 2840 N. 45th Terrace, Kansas City, Kansas 66104.

2. To the best of Petitioner's knowledge Respondent is currently residing at 1006 Grand Blvd., Apt 303, Kansas City, Missouri 64106.

3. The parties were lawfully married on October 5, 2013, in Kansas City, Wyandotte County, Kansas; and have been husband and wife since that date.

4. The parties separated on or around May 2016.

5. Petitioner is currently employed by Aquinas Home Health.

6. Respondent's employment status is unknown.

7. There was one child born of said marriage of Petitioner and Respondent, and subject to jurisdiction of this Court to wit: J.L., born in 2012.

8. Petitioner is not now pregnant.

9. The minor child currently resides with Petitioner at her address and has since August 2018 and has lived in Kansas for at least six months prior to the filing of this Petition.

10. Petitioner knows of no other custody proceedings concerning the minor child that is currently pending in this state or any other state.

11. Petitioner has not participated in any litigation concerning the cus-

LEGAL NOTICE

tody of said child in this state or any other state.

12. Petitioner knows of no other person not a party to this proceeding having physical custody of the minor child or visitation rights or claiming to have such rights in regard to said child.

13. The best interest of the minor child dictates that Petitioner should be granted sole legal custody and sole physical custody with Petitioner having primary residential custody of the minor child with Respondent being granted no parenting time in that it has been over four years since Respondent had any interaction with the minor child.

14. Presumably Respondent is employed at a substantial wage and child support should be awarded for the benefit of the minor child pursuant to Kansas law and Kansas Child Support Guidelines.

15. Petitioner is employed at a substantial wage and Respondent, it is believed, is employed at a substantial wage and it is Petitioner's belief that Respondent is able to care for himself and no maintenance should be awarded from Petitioner to Respondent. Furthermore, due to the length of separation of the parties, it is unlikely that either party would be able to meet the statutory requirement to prove the need of maintenance so neither party should be ordered to pay maintenance one to the other.

16. There is no reasonable likelihood that the marriage of Petitioner and Respondent can be preserved and, therefore, the marriage is irretrievably broken.

DOC_147495510 (1).pdf

17. Both parties should be responsible for his or her own attorney fees unless Respondent takes action that intentionally increases Petitioner's attorney fees.

18. Petitioner and Respondent have accumulated property during the course of the marriage, as well as certain debts, and Petitioner requests that the marital property and debts be divided in a fair and equitable manner.

19. Petitioner is not a member of the Armed Forces of the United States.

20. Respondent is not a member of the Armed Forces of the United States.

21. Petitioner be ordered to pay the costs of this action.

22. Petitioner requests that she be returned to her maiden name of Catalina Murillo.

WHEREFORE, Petitioner prays that the marriage of Petitioner and Respondent be dissolved; that the marital property and marital debts be divided in a fair and equitable manner; that the Petitioner's separate property be set aside to the Petitioner; that the Respondent's separate property be set aside to the Respondent; for the Petitioner to be awarded sole legal and sole physical custody of the minor child with Petitioner having primary residential custody and her address being used for educational and mailing purposes, with no parenting time being granted to Respondent, that child support be ordered to be paid in accordance with Kansas law and Kansas Child Support Guidelines; that Petitioner not be ordered to pay maintenance to Respondent and that Respondent not be ordered to pay maintenance to Petitioner; that Petitioner and Respondent be responsible for their individual attorney fees, unless Respondent takes action that intentionally increases Petitioner's attorney fees; that Petitioner be ordered to pay the costs of this action;

LEGAL NOTICE

that Petitioner be returned to her maiden name of Catalina Murillo; and for other and further orders, judgments and decrees as may seem just and proper.

Respectfully Submitted:
