Stock Market Insights

A Strange Combination and a Resilient Stock Market

Joe Shearrer, CPFA® is Vice President and Wealth Advisor at Fervent Wealth Management

One of the more surprising stories in financial markets this year has been the resilience of stocks despite a significant rise in interest rates. The yield on the 10-year U.S. Treasury recently crossed 5%, reaching its highest level since 2007. At the same time, the S&P 500 remains up double digits for the year and, despite some recent weakness,

is still less than 3% below its August record high.

Normally, those two things don't necessarily go together. That phrase made me think about a recent trip to Taco Bell with my kids. Since we were eating inside, they got to make their own drinks from the self-serve soda machines. As usual, they decided one soda wasn't enough. They mixed two different flavors together to create their own combination. I looked at them and thought,

I'm pretty sure those two things aren't supposed to go together. However, for some reason they seemed to like it.

Financial markets can sometimes give us that same thought. You can have two things that don't traditionally seem to belong together sitting side by side. Higher Treasury yields create competition for stocks. When investors can earn around 5% on a 10-year Treasury, they may become less willing to pay high valuations for equities.

Higher rates can also increase borrowing costs for businesses and consumers.

We are already seeing some of that pressure show up in stock valuations. The S&P 500's forward price-to-earnings ratio has fallen to around 19 times expected earnings. So why haven't stocks fallen more? The answer, at least so far, has been earnings.

Think of stock prices as being influenced by two sides of a scale: what investors are willing to pay for each dollar of earnings and how much those companies actually earn. Higher interest rates can push the first side of the scale lower by making stocks less attractive at elevated valuations. However, when corporate earnings are growing, that growth can help counterbalance the pressure. That appears to be an important part of the story playing out in the market today.

Corporate earnings have continued to grow, helping offset the decline in valuations. AI investment has played an important role, with enormous amounts of capital being invested in data centers, semiconductors and other infrastructure needed to support the continued expansion of AI. That creates an important distinction for investors. A 5% Treasury yield by itself doesn't necessarily mean stocks have to fall. The bigger concern would be a rapid, disorderly increase in rates or a situation where higher borrowing costs begin materially hurting corporate profits.

There are certainly reasons for caution. Higher interest rates, elevated oil prices, geopolitical uncertainty and still-elevated stock valuations create plenty

of opportunities for volatility. A normal 5% to 10% market pullback shouldn't surprise anyone after the gains we've experienced. That said, volatility and a deteriorating investment environment aren't necessarily the same thing.

Rather than focusing on one particular interest-rate level, investors may be better served watching the relationship between rates and corporate earnings. If earnings continue growing, the market may be able to absorb higher rates better than many expect. If profits begin weakening while rates remain elevated, however, that would be a much more meaningful warning sign.

And just like my kids' self-created soda combinations, sometimes two things that don't seem like they should go together can work just fine. The important question is whether the combination continues to work.

Have a blessed week!

WHEREAS, pursuant to Resolution No. 202404 of the Issuer adopted on March 25, 2024, as amended by Resolution No. 202607 of the Issuer adopted on June 8, 2026 (collectively, the "Resolution of Intent"), the Issuer expressed its intent to issue Industrial Revenue Bonds (Taxable Under Federal law) in the approximate principal amount of \$15,000,000 for the purpose of financing the costs of acquiring, constructing, equipping, and furnishing a multifamily senior living project comprised of approximately 48 units, including land, buildings, improvements, and equipment (the "Project"), and further authorized the execution of a Payment in Lieu of Tax Agreement (the "PILOT Agreement") by and between the Issuer and BSV, LP, a Kansas limited partnership (the "Company"), providing for a property tax exemption for the Project financed with industrial revenue bonds, subject to certain conditions; and

WHEREAS, the Issuer has found and does find and determine that it is desirable in order to promote, stimulate and develop the general economic welfare and prosperity of the Issuer and the State of Kansas that the Issuer issue its Industrial Revenue Bonds (Taxable Under Federal Law), Series 2026 (BSV Project, Phase 1), in the principal amount not to exceed \$15,000,000, (the "Bonds"), for the purpose of paying the costs of acquiring, constructing, equipping, and furnishing the Project, as more fully described in the Indenture, in the Base Lease and in the Lease hereinafter authorized, and authorizing the Issuer to lease the Project to the Company; and

WHEREAS, the Issuer further finds and determines that it is necessary and desirable in connection with the issuance of the Bonds to execute and deliver (i) a Trust Indenture (the "Indenture"), with UMB Bank, National Association, Kansas City, Missouri, as trustee, or such other bank designated by the Company and approved by the Mayor (the "Trustee"), prescribing

the terms and conditions of issuing and securing the Bonds; (ii) a Base Lease Agreement (the "Base Lease"), with the Company under which the Issuer will lease the Project from the Company; (iii) a Lease (the "Lease"), with the Company under which the Issuer shall cause the Project to be acquired, constructed, equipped, furnished, and leased to the Company in consideration of payments of Basic Rent and other payments as defined and provided for therein, (iv) a Bond Purchase Agreement providing for the sale of the Bonds by the Issuer to the Company, and (v) the PILOT Agreement (the Indenture, the Base Lease, the Lease, the Bond Purchase Agreement and the PILOT Agreement are referred to collectively herein as the "Bond Documents").

NOW, THEREFORE, BE IT ORDAINED BY THE GOVERNING BODY OF THE CITY OF BONNER SPRINGS, KANSAS, AS FOLLOWS:

Section 1. Authority to Cause the Project to be Acquired, Constructed, Equipped and Furnished. The Issuer is hereby authorized to cause the Project to be acquired, constructed, equipped and furnished all in the manner and as more particularly described in the Indenture and the Lease herein authorized.

Section 2. Authorization of and Security for the Bonds. The Issuer is hereby authorized and directed to issue the Bonds for the purposes set forth in this Ordinance; provided, however, that issuance of the Bonds shall be conditioned upon receipt by the Issuer of a commitment for title insurance and other evidence that any existing litigation regarding the Project does not present a material risk to the Issuer. Issuance of the Bonds shall be conclusive evidence that such condition has been met. The Bonds shall be dated and bear interest, shall mature and be payable at such times, shall be in such forms, shall be subject to redemption and payment prior to the maturity thereof, and shall be issued in the manner prescribed and subject to the provisions, covenants and agreements set forth in the Indenture. The Bonds shall be special limited obligations of the Issuer payable solely from the trust estate established under the Indenture, including revenues from the lease of the Project to the Company. The Bonds shall not be general obligations of the Issuer nor constitute a pledge of the faith and credit of the Issuer and shall not be payable in any manner by taxation.

Section 3. Execution of Bonds and Bond Documents. The Mayor or acting Mayor of the Issuer is hereby authorized and directed to execute the Bonds and deliver them to the Trustee for authentication on behalf of, and as the act and deed of the Issuer, in the manner provided in the Indenture and as provided in this Ordinance. The Mayor or acting Mayor is further authorized and directed to execute and deliver the Bond Documents on behalf of, and as the act and deed of the Issuer, in substantially the forms on file in the office of the City Clerk, with such corrections or amendments thereto as the Mayor or acting Mayor may approve, which approval shall be evidenced by his or her execution thereof, and to execute such other documents, certificates and instruments as may

be necessary or desirable to carry out and comply with the purposes and intent of this Ordinance and the Bond Documents. The City Clerk or the Deputy City Clerk of the Issuer is hereby authorized and directed to attest the execution of the Bonds and the Bond Documents and execute or attest such other documents, certificates and instruments as may be necessary or desirable to carry out the intent of this Ordinance under the Issuer's official seal.

Section 4. Tax Exemption; Payment in Lieu of Taxes. The Issuer hereby determines that pursuant to the provisions of K.S.A. 79201a TwentyFourth, the Project purchased or constructed with the proceeds of the Bonds is subject to exemption from ad valorem property taxes for ten years commencing the year following the year in which the Bonds are issued, provided proper application is made therefor to the Kansas Board of Tax Appeals. The Issuer further determines that the Project shall be exempt from such taxes for ten years, commencing in the year after the Bonds are issued, subject to an annual payment in lieu of taxes and other terms and conditions of the PILOT Agreement. In making such determination the Governing Body of the Issuer has conducted the public hearing and reviewed the analysis of costs and benefits of such exemption required by K.S.A. 121749d. The Company is responsible for preparing such application and providing the same to the City for its review and submission.

Section 5. Pledge of the Project and Net Revenues. The Issuer hereby pledges the Project and the net revenues generated under the Lease to the payment of the Bonds in accordance with K.S.A. 121744. The lien created by such pledge shall be discharged when all of the Bonds shall be deemed to have been paid within the meaning of the Indenture.

Section 6. Further Authority. The officials, officers, agents and employees of the Issuer are hereby authorized and directed to take such action, expend such funds and execute such other documents, certificates and instruments as may be necessary or desirable to carry out the provisions of this Ordinance and to carry out and perform the duties of the Issuer with respect to the Bonds and the Bond Documents as necessary to give effect to the transactions contemplated in this Ordinance and in the Bond Documents.

Section 7. Effective Date. This Ordinance shall take effect from and after its final passage by the Governing Body of the Issuer, signature by the Mayor and publication once in the official newspaper of the Issuer.
