Unified Government Launches National Search for Permanent County Administrator

The Unified Government of Wyandotte County and Kansas City, Kansas (UG) announced the beginning of a national search for its next County Administrator, initiating a recruitment process designed to identify experienced candidates to lead the organization's day-to-day operations and support the Mayor/CEO and the Board of Commissioners' priorities for Wy-

andotte County and Kansas City, Kansas.

The County Administrator serves as the organization's chief administrative officer, overseeing county and city departments and staff, implementing policies established by the UG Board of Commissioners, managing organizational and financial operations, and working with residents, employees, community organizations, and

other governmental partners.

The Unified Government has selected Strategic Government Resources to partner in recruiting for the next County Administrator position.

"This search is an opportunity to bring experienced, collaborative leadership to the Unified Government, leadership that turns our shared priorities into measurable results," said Mayor/CEO

Christal E. Watson. "We are seeking a County Administrator who will work closely with the Mayor and Commission, support our employees, and earn our residents' trust through accountability, clear communication, and dependable service. Together, we can reset, renew, and rebuild a stronger Wyandotte County."

The County Administrator recruitment process is intended to be inclusive but disciplined. It will include a full application review; structured evaluation of semi-finalists with written and video responses; background and reference checks; and an intensive finalist process with opportunities for appropriate stakeholder and community participation.

The ideal candidate will demonstrate experience in public administration, organizational leadership, financial management, and strategic planning. The Unified Government will also evaluate candidates on their proven ability to communicate effectively, work collaboratively, and provide responsive and accountable public service.

Mayor/CEO Christal Watson, along with the UG Board of Commissioners, will make the final appointment in January 2027.

All applications must be submitted by the deadline of Sunday, November 8th at 12:00 AM. Additional information about the position, the recruitment process, and

how to apply is available at Unified Government of Wyandotte County-Kansas City, KS - County Administrator - Strategic Government Resources.

The Unified Government will continue to provide updates as the search progresses.
